I am applying for membership of the DFJ e.V., Dr. Schellerer Strasse 59, 94234 Viechtach, Germany.  
The annual membership fee is EUR 63,- (6-month membership fee EUR 31,50) including the vehicle press badge.  
In addition, there is a one-off registration fee of EUR 20,- to be paid on registering. The press card remains valid until 31 December. I can terminate the membership before the end of each year by 31 October at the latest. In the subsequent years I will automatically receive the press card (including the vehicle press badge) as part of my membership for an annual fee of EUR 63,-. The DFJ reserves the right to reject applications or to request evidence of employment.

In addition I would like to apply for the international press card, which costs EUR 20,- as part of my DFJ membership.

I confirm that I work full time or mostly full time in the media sector. I enclose a performance record.

I substantiate the validity of my given data.

As part of my association membership, I allow the DFJ e.V. to process my data and send me internal news.

I work as a photographer for AnyPix ([www.anypix.de](http://www.anypix.de)) and at least one uploaded image from me is already available online. This means that I DO NOT HAVE TO PAY the one-off registration fee of EUR 20,- in order to register with the DFJ.
